Requirements

- All unregistered users should be able to create an account or sign in.

Users should be able to:

- edit their profile, which contains basic information about them.

- submit a form of school identification to verify themselves.

- respond to posts through post buttons.

- edit posts they have ownership of.

- remove posts that they have ownership of after the items have been picked up and are no longer available.

- get contact information about the user who is first in line for the item.
